## Kids Hurt Too

### Divorce Education Seminar

**Held in Grayson and Fannin Counties**

The Kids Hurt Too Divorce Education Seminar started in 1997 in Grayson County due to the District Judges' heartfelt concern for the well being of children of divorce. Since that time thousands of parents have attended the seminar. In 2003, the program expanded to the 6th Judicial District Court and 336th Judicial District Court in Fannin County. In the fall of 2008, the 397th Judicial District Court was added to Grayson County. The seminars are facilitated by licensed mental health professionals.

The standing order reads, in part: *the parties are ordered to successfully complete said seminar within sixty (60) days of either the filing of the petition or motion to modify or the receipt of notice of the petition or motion, and prior to any final hearing.*

It is our privilege to work with the district court judges in Texoma to help divorcing parents understand the impact divorce has on their children and how they can avoid placing their children in the middle.

Seminar Survey comments from 2010 parent participants...

- *The course opened my eyes to my child's feelings that she hasn't shared with me. Highly recommend!*
- *Taught me how to get along with my ex and how to be there for my boys. Great course.*
- *I learned why my kids have been acting the way they have since I left. It made me realize that I am really hurting and so are my kids.*
- *I've learned how to forgive him. Thank you.*
